Invest Ottawa's sponsors play an integral role in the training and support of the entrepreneurs and firms we serve, especially during these challenging economic times. Sponsors have the opportunity to meet with small business founders, scaling Ottawa firms, and international organizations seeking to establish an Ottawa presence. Sponsors form beneficial relationships that provide companies with the knowledge and network needed to scale and grow. We are seeking expressions of interest from commercial real estate firms who meet the following criteria:

- Must be headquartered in or have a significant presence in Ottawa (at least 3 team members)
- History of working with startups and SMEs with a demonstrated ability to meet the unique needs of these founders
- Extensive experience working with multinational companies and providing guidance for their arrival in Canada
- Dedicated to supporting the Ottawa innovation ecosystem from early stage founders through to large, international companies

If you are interested in exploring this opportunity, we look forward to speaking with you. Please send all expressions of interest to Kara Eusebio, Senior Manager of Strategic Partnerships at partnerships@investottawa.ca by Wednesday, July 15.
